

TO WHOM IT MAY CONCERN

Dear Sirs,

We are writing in favor of ATE Consult Ltd. Our company Neft Oil Ltd. used their consultancy services in 2014 in connection with the implementation of an Integrated Management System as per the international standards ISO 14 001:2004 and BS OHSAS 18001:2007.

In our mutual cooperation we were genuinely impressed by the professional attitude of the team of ATE Consult Ltd. The personal qualities of each member of their team allowed them to easily adapt to our office atmosphere, which is typically dynamic. They demonstrated competence in every aspect of our Integrated Management System and proved that our choice of a consultant was right.

During the period while we were using the services of ATE Consult Ltd. we liked very much their motivation and communication skills, which we assume are very important when two companies are trying to achieve one goal. Among the main strengths of the team of ATE Consult Ltd. were the demonstrated politeness, responsiveness, availability and flexibility.

ATE Consult Ltd. fulfilled on time all their engagements regarding the successful certification of our company as per the international standards ISO 14 001:2004 and BS OHSAS 18001:2007.

We consider ATE Consult Ltd as a reliable consultancy company. Therefore we give our special recommendation to ATE Consult Ltd. as an applicant in any tender connected to management systems and business consulting as well as a trustworthy partner for fulfillment of any project which requires consultancy services.

Sincerely,

Vladimir Hristov
